

With everyday I wake up  
The matter gets worse  
I wish I could reverse all the tragedy  
I want to find a way out of all this pain  
I know that in the future it will be harder  
All I need is a way out  
I'm in a dilemma  
I need help  
I need a way  
I can't ruin myself like this  
I can't kill it all in this way  
God help me  
Show me a way  
I can't go on like this  
I wanna fix what I've broken  
I need a chance to fix my mistakes
